**Snack Leader** - This week-long **adult** position organizes, coordinates, and prepares all the snacks for the VBS campers. The Snack Leader will have 3-4 youth/adult assistants to deliver the snacks to the classes, and clean up afterwards. This involves very little prep time outside of the VBS morning, and you're generally finished by 11:10 each morning. All food purchases, plates/napkins/silverware will be ready and waiting for you.

**Craft Leader (2)** - This week-long **adult** position organizes, coordinates, and prepares the craft materials for all the VBS campers. You'll be working with 1-2 classes of elementary children in each session, with approximately 4 youth/adult assistants. The craft leader will create samples for children to see, and ensure that the projects get completed within the 25 minute session. All materials, supplies, and resources are provided for you.

**Recreation Leader** - This week-long **adult** position organizes the games the kids will play for approximately 15 minutes of the session...the children spend the remaining 10 minutes of this session enjoying their snacks. The recreation leader will have a team of approximately 4 youth/adult assistants to help with managing the participants, and setting up the green and/or Fellowship Hall for the games, and all materials, supplies, and resources are provided for you.

**Science Lab (2)** - These week-long **adult** positions create different science demonstrations and experiments for the children to observe and conduct. This session will also have 2 cooking sessions with "no bake" cooking, so there is a balance of science and cooking in this 25 minute session. You will have 2-3 assistants to assist you, and all materials, supplies, and resources are provided for you.

**Crew Leader (12)** - The week-long **adult** Crew Leader positions are the heart and soul of our program - you greet the children each morning, bond with the children, take them to their various sessions, and lead them through the mission and reflection of each day. You'll be with a group of approximately 11-12 children, and you are their special adult throughout the VBS week. At the end of the week, you'll be asked to write a special thank you note to each of the children in your crew. We have many youth that participate as your assistants throughout the week.
